The fitness center provides a full range of cardio conditioning equipment including free weights, treadmills, lifecycles and stair climbers.

GOLF

Located amidst some of the most notable championship golf courses in the world, **Golden Bear Lodge & Spa** is designed to not only offer a superior tropical getaway but to tempt golfers of every expertise and ability.

Jack Nicklaus' three signature golf courses make the most of the natural beauty of Cap Cana and the superb coastal location of **Golden Bear Lodge & Spa**.

Punta Espada

Opened in 2006 and already recognized as a world-class golf course, this ocean front course sits serenely overlooking the azure of the Caribbean Sea. This 72 par, 18-hole course showcases the exquisite scenery and tropical settings perfectly with eight holes situated along the coastline to capture the spectacular ocean views.

This championship course has served as the venue to the Cap Cana Championship, a PGA Champions Tour official event, and has received notable recognitions by Golf Digest, Golfweek and Forbes Travel.

Las Iguanas

Opening soon, this course offers perfectly placed holes to exhibit the natural splendor of the surroundings. Many ecological areas with its unique beauty have been incorporated in the design of this spectacular course, to achieve both, the protection of the area as well as to provide the necessary experience to the golfer.

A third Nicklaus designed golf course, *Las Montanas*, is set to open in Fall 2010.
