*The art of life.*

The Greek words Zoë meaning 'life' and Poetry meaning 'artful creation' inspired us to create Zoëtry [Zho-ee-tree] – The Art of Life – and nowhere will you find that art expressed to a more luxurious or refined degree than at Zoëtry Casa del Mar Los Cabos.

Situated in a stunning landscape where the desert meets the white sand and turquoise waters of the Sea of Cortez, the authentic Mexican hacienda architecture of Zoëtry Casa del Mar boasts graceful arches, cobble courtyards, tiled fountains, lush tropical gardens and four swimming pools. This secluded sanctuary features 42 exceptionally large ocean view suites with Jacuzzis and private balconies.

Zoëtry Casa del Mar — the highest expression in the Art of Living.
