

Eight months from its launch, Celebrity Cruises' newest ship, Celebrity Solstice, already is being heralded as the most exciting ship entering the market in 2008! This is our 6th Celebrity Solstice Reveal, and below is a very brief recap of the first five.

- 1) Key Stateroom Innovations and our new AquaClass
- 2) New venues for entertainment & enrichment spaces onboard
- 3) The "Hot Glass Show" collaborating with the renowned Corning Museum of Glass
- 4) The "Lawn Club". Over one fourth acre of beautifully manicured REAL GRASS!
- 5) The announcement of TEN dining venues!

And for #6...exciting new onboard entertainment that guests will experience only on Celebrity Solstice!

Poet Theatricals, through an exclusive partnership with Celebrity Cruises, is creating three original shows that can be seen only on Celebrity Solstice. Please open the attached press release below for complete information.

Celebrity Central, Seating 200 guests, this multi-functional venue is ideally designed for late-night comedy shows, cooking demonstrations, enrichment lectures, feature films, and proprietary, must-see shows and events.

Solstice Theatre, A curved stage creates an almost theatre-in-the round experience! Designed to optimize sight lines and bring the 1,115 guests closer to the entertainers.

We know your valued clients will be blown away by everything Celebrity Solstice has to offer. If you need any additional information please let me know, or go the awesome website for Celebrity Solstice:
